DIALOGUE (GARETH & SONIA) –PART 01 –

Sonia (Student): *Gareth! Wait … My card is not working.*

Gareth (teacher): *What's wrong!?*

Sonia (Student): *I don't know. It shows a red sign! It's either my card or the machine.*

Gareth (teacher): *Go to the helpdesk and I will wait for you.*

Sonia (Student): *I don't want you to be late for the meeting. The board of directors are very strict with timings. You go ahead and I catch up later.*

Gareth (teacher): *It's ok! We've got plenty of time. So just go there and I will be waiting.*

Sonia (Student): *Ok! I'll meet you at the platform.*

DIALOGUE (GARETH & SONIA) –PART 02 –

Sonia (Student): We finally made it! I thought we would be late.

Gareth (teacher): I've told you we had enough time!

Sonia (Student): Do you take the train every day?

Gareth (teacher): Yes, I do. I am used to it. It's very convenient!

Sonia (Student): I am not used to it! I spend a lot of money on Taxi and Uber. I guess I will start doing this way from now on. Have you heard about those electric scooters?

Gareth (teacher): Yes, I have. I am thinking of getting one.

Sonia (Student): So am I. Honestly, I don't have the patience to wait. These scooters are foldable, which is great to carry them around.
