

## CONVERSATION IN TEXT (TRANSCRIPT)

**Me:** Good morning, Ahmed. How are you?

**Ahmed:** Good morning, Mr Baba. I am fine. Thank you. And you?

**Me:** I am fine, too. Thanks.

**Me:** And how is work these days?

**Ahmed:** It's fine. Just the usual routine. I go to the office early in the morning to do some paper work and meet new clients then, I visit some construction sites to supervise the progress.

**Me:** That's sounds interesting. And when are you usually free during the day?

**Ahmed:** I usually have so much free time during the day. If everything is according to schedule in the construction sites, I am usually free before 3 p.m.

**Me:** That's great! Good for you, Ahmed. And what do you prefer to do in your free time, Ahmed?

**Ahmed:** During my free time, I enjoy spending most of my free time with my wife and the kids. If I have extra free time, I will watch TV or read the newspaper.

**Me:** The same here. I also enjoy spending time with family or even alone from time to time. I don't watch TV very often. I only watch football games on TV, but if there are no football games, I prefer to watch sitcoms or documentaries.

**Ahmed:** No, in my case, I only watch the news on TV. Sometimes, on the weekends, I watch a movie at night with my family. However, my wife Imane enjoys watching drama series very often.

**Me:** Really! And how about the kids? What do they enjoy doing in their spare time?

**Ahmed:** Yeah! After school, Sohaib usually loves to hang out with his friends outside or play video games in his computer.

**Me:** And how about your daughter?

**Ahmed:** My daughter is an avid reader. She loves to read books or listen to podcast all the time.

**Me:** You're lucky to have such a resourceful (smart) daughter. What does she prefer to read?

**Ahmed:** She mostly reads fiction books. She enjoys reading novels and short stories with deep meanings.

**Me:** Good for her. And thank you so much for sharing all this with us today, Ahmed.

**Ahmed:** It's my pleasure! You're welcome anytime, sir Baba.

## HOMEWORK

**Task:** Re-read / re-watch the conversation and answer the following questions.

Q01: What does Ahmed do for a living? →
