

PART 01 / WORK ON THE SCENE

✚ Scene summary:

"The scene begins with Mr. Clark checking that all his students are present, but he found that Tayshan was absent, so he went to look for him. Fortunately, he found him, but in a very bad situation: he was lying on the street, bleeding, with a broken arm. For safety, Mr. Clark took him to Mr. Turner, who found someone to take care of Tayshan. At the end of the scene, we saw Mr. Clark rewarding his students for their efforts during the school year. Suddenly, Mr. Turner interrupted to give Mr. Clark the exam results, which were very impressive according to him. The class performed better than the honors class, and Shemeka had the highest scores in both math and English among all the students. Finally, the students thanked Mr. Clark for his sacrifice, patience, and for believing in them."
