However, Last summer, they decided **to rent a beach house** and spend their 1-week vacation on a beach instead.

The house was so close to the beach with a nice **view over the sea**.

When they arrived, the weather was so **hot** and **sunny**. They settled at the house. They relaxed for a bit and **they headed to the beach** immediately. The children **went swimming**, Mounir **sunbathed** in the golden **sands** and Souad enjoyed reading a favorite book.

On day two, Mounir took his family on a **boat trip** to visit nearby beaches and small **islands**. On the day that follows, the family **went hiking** on **a mountain overlooking the beach**.

During his stay at the beach, Mounir also loved **to go fishing** early in the morning and **scuba-diving** in the evening while **swimming** and **sunbathing** in the afternoon.

Mounir seems to be the man who knows how to have fun in his vacation with his family.
