FACTS ABOUT TLEMCEN CITY

Tlemcen is an inland city located in the far west of Algeria. It is over 500km far from the capital Algiers.

The weather in Tlemcen is warm and **mostly** sunny in the **spring**, hot and nice in the **summer** and cool and cloudy in the **fall**. In the **winter**, the weather is cold but mostly sunny although it rains and even snows **occasionally**.

During the spring and the summer, Tlemcen receives thousands of tourists from all Algerian cities and provinces.

One of the most common places people want to visit in Tlemcen is Lala Setti. This 1000-meter high **hill** gives you an incredible view of the whole city. It is also a great spot for people to enjoy the tranquil and quiet atmosphere of the **forest** or have plenty of fun in the main **park** of Lala Setti.

When it comes to natural landscapes, people **always** love to see El-Ourit **waterfalls** and the Beni Add wonderful **caves**. The place has two main parks in which you can spend the day and enjoy the sound of nature. The air is so pure in the area.

The historical monuments that tourists usually visit in Tlemcen are El-Mensourah **ruins** and El-Mechouar **palace**.

El-Mechouar is the Zianide Royal Palace extending back to 1145.

Concerning safety, Tlemcen is a safe place to visit. It has one of the strongest security systems in the country.
