

# A2 LEVEL 05 WEEK 02

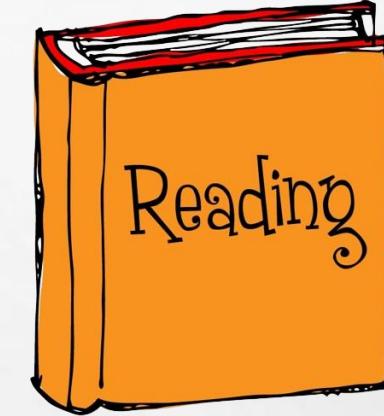

**Friday's Speaking Session**

Topic of the Session:  
**City Public Transport  
(in the city)**

## PART 1:

### WARM UP YOUR TONGUE

*"Try to read the following short texts as correctly as possible. Correct your pronunciation mistakes with the teacher."*

This exercise corrects your pronunciation and improves your reading skills

# DIALOGUE (ROSE & JOHN)

John (teacher): Hi good morning, (Student's name)

Rose (Student): Hi good morning, teacher.

John (teacher): Tell me, please .. How do you go to work, every day?

Rose (Student): I usually go by subway, but sometimes, I go by bicycle.

John (teacher): How long does it take on the subway?

Rose (Student): It takes about 15 minutes.

John (teacher): I see ... How long does it take to bicycle?

Rose (Student): It's about 30 to 40 minutes bicycle ride from here.

John (teacher): Wow! That's pretty far!

Any pronunciation error is corrected by the teacher instantly!

# DIALOGUE (ROSE & JOHN)

Rose (Student): How about you? How do you go to work every day?

John (teacher): I always drive to work.

Rose (Student): I see .. How long does it take?

John (teacher): It's about half an hour from here.

Rose (Student): That's pretty convenient.

John (teacher): Yes ... It's not bad. But sometimes I get stuck in a traffic jam.

Rose (Student): That's terrible. I can't stand waiting in traffic.

John (teacher): Really!? What would you do if you were in my place?

Rose (Student): I would definitely park my car and use an electric scooter instead.

Any pronunciation error is corrected by the teacher instantly!

## PART 2:

# PRACTICAL REVIEW

*"Look at the following pictures  
and answer the questions asked  
by the teacher."*

This exercise helps you to remember the vocabulary you learnt during the week

## **POSSIBLE QUESTIONS:**

Take a look at this man ...

- Is he going to work? (take a guess)
- What means of transport is he using?
- Do you think it is convenient?
- Why? (pros +)
- Why not? (cons -)

## **Additional Notes (if any):**

- ✓
- ✓

If you don't understand the question, ask the teacher to clarify it further!

## **POSSIBLE QUESTIONS:**

Take a look at this man ...

- How does he go to work?
- Do you think it is convenient?
- Why? (pros +) / Why not? (cons -)

- Can you name this means of transport?
- Does it exist everywhere?
- Do you have this means of transport in your city?
- Is it convenient? Why? Why not?
- Are these expressions correct:  
a) To take the tram; b) to get on the tram; c) to use the tram.

## **Additional Notes (if any):**

If you don't understand the question, ask the teacher to clarify it further!

## **POSSIBLE QUESTIONS:**

Look at this picture ...

- Can you name this thing? (**New Vocabulary!**)
- Does it exist everywhere?
- Can we consider it as a means of transport?
- Is it convenient? Why? Why not?
- Does it exist in your city?
- Where does it exist?

## **Additional Notes (if any):**

If you don't understand the question, ask the teacher to clarify it further!

## PART 3: DIRECT CONVERSATION

- ❖ During your conversation with the teacher, you may expect some of the following questions:

1. Do you work (or study) away from home?
2. How far is it? Can you go on foot?
3. If not, how do you go to work every day?  
(What means of transport)
4. Is it convenient? Why? Why not?
5. Are electric scooters common in your city?
6. Do people cycle to work in your city?
7. What means of transport are common in your city?
8. What means of transport are common in other cities but don't exist where you live?
9. What challenges do people usually face with public transport every day in your city?

It's time to SPEAK freely without fear or hesitation ... You are READY!

## PART 4: HOMEWORK (OQ)

Task of the week: Read the following question and answer based on your own opinion. (**short answers aren't accepted!!!!**)

OQ: Do you agree that "**the car**" is the most convenient means of transport? And do you think it is necessary for every citizen to **own a car** these days? If so? Why? And if not? Why not?

Explain and justify your answer!

This homework is to do your research and learn new vocabulary in the process
